

Free Trust Account Reconciliation Service

Save thousands of dollars with this special offer
from Crescent State Bank and SoftPro.

Keeping your accounts in order is critical to the health of your business. But trust account reconciliation is a time-consuming chore that often gets neglected.

So let us handle it for you.

If you use ProTrust, a component of the SoftPro application suite, you can take advantage of SoftPro's Trust Account Reconciliation Service. Once a month, a SoftPro Trust Account Reconciler will balance your ProTrust database to your bank statement to ensure that your trust accounts are accurate and up to date.

With SoftPro handling the reconciliation, you'll gain more control over your business process. You'll receive a full set of reconciliation reports providing documentation for your files—exactly what you'll need if you're ever audited. And you'll have the assurance that your trust accounts are being balanced by the leader in closing and title software.

As your accounts are being reconciled, you'll be able to work in ProTrust as usual. Meanwhile, the time you save by not doing your own reconciliations can be put toward more profitable pursuits, such as serving your customers and growing your business.

Get All This Free When You Open A New Account

Now for a limited time, when you open a new account at Crescent State Bank, SoftPro will waive the trust account reconciliation service setup costs*, and we'll pay the monthly transaction fees—**potentially saving you more than \$3,000 a year.**

To take advantage of this special offer, call Lisa Hildebrand of Crescent State Bank at 910-295-9993 or Blair Tecklenberg of SoftPro at 800-848-0143, ext. 2233.

*Upon account approval by your Crescent State Bank Representative. Reconciliation contract is based on a 12-month period. Please contact your Crescent State Bank Representative for complete program details.
